Berlin, Germany +491722449421

dmitrypuzatov@gmail.com

**BIM / VDC Engineer**

[www.linkedin.com/in/dmitry-puzatov](http://www.linkedin.com/in/dmitry-puzatov)

## PROFILE

---

BIM Engineer with an architectural background and more than 10 years of professional experience, including 6 years focused on model-based planning and BIM process implementation in Germany. Experience in Standards development, model coordination and workflow automation. Strong proficiency in Revit, Autodesk Construction Cloud (ACC), BIMcollab, Grasshopper, Rhino and Unreal Engine. Developed custom Revit add-ins and automation tools (Dynamo, Python, C#) to streamline BIM workflows, enforce modeling standards and improve data quality and delivery efficiency.

## WORK EXPERIENCE **AUKETT + HEESE** BIM Projektbegleiter / Coordinator

---

Development and implementation of BIM standards and automated workflows (Dynamo, Python, C#). Internal and external BIM coordination, development of project-specific BIM Execution Plans, administration of CDE (Autodesk Construction Cloud). Technical support for design teams, internal trainings, quality assurance and preparation of technical documentation. **Dec 2020 - today**

### *Selected Projects:*

- Das Center (Sony Center), Cinema & Fitness, Bike Parking (LP2-LP8)
- MYND Berlin, Alexanderplatz (LP5)
- Globushof, Hamburg (LP2-LP3)
- DSTRCT D2, Berlin (LP2-LP3)
- Anna Lindh Haus, Berlin, Europaplatz (LP4-LP5)

**Working Student / Architect (part-time)** **Aug 2019 - Dec 2020**  
- Ampere Substation Kreuzberg (LP5-LP8)  
- KaDeWe, Berlin (LP5-LP8)

**BTU Cottbus-Senftenberg (part-time)** **Feb 2022 - Feb 2024**

### **Research Assistant | Architectural History**

Contributed to a DFG-funded research project on digital documentation and urban modelling of Jeddah. Conversion of historical archival data into BIM-based city models using Revit, Rhino, Grasshopper and Unreal Engine.

**Step-City STEP, Moscow Architect - Urban Planning** **Jun 2017 - Mar 2018**  
Contributed to the "MY STREET" urban regeneration program. Involved in street space analysis, redesign and traffic organization for public spaces in Moscow.

### **Lozinsky and Partners, Moscow**

#### **Architect / 3D Visualizer**

Worked on residential and retail projects and architectural competitions.

Developed design concepts, construction documentation and 3D visualizations. **Jun 2014 - Jun 2017**

## EDUCATION

---

### **Brandenburg University of Technology Cottbus-Senftenberg**

Master of Science (M.Sc.) in Architecture

**Mar 2018 - Sep 2020**

### **Moscow Architectural Institute (MARCHI)**

Bachelor of Science (B.Sc.) in Architecture

**Sep 2011 - Jun 2016**

## LANGUAGES

---

English, German, Russian
